

DIANE DEMETRE

Leadership and Mindset Speaker

Diane Demetre is a visionary thought leader, inspiring countless individuals to forge their own remarkable futures.

As an award-winning business leader and speaker, seasoned trainer, trusted executive coach, insightful consultant, and prolific author of over a dozen books, Diane wholeheartedly believes that life is a daring adventure or nothing at all. She knows that when we **Dare to Shine, Align and Thrive**, our true potential is illuminated, revealing the exceptional leader within each of us.

Diane's wisdom emanates from a wealth of genuine leadership and business experience, having successfully owned and operated two multi-award-winning businesses with an extensive workforce both domestically and abroad.

Recognized with numerous local, national, and international business excellence awards for her outstanding achievements and community contributions, she stands as a role model for aspiring entrepreneurs.

In recognition of her exceptional contributions to the Entertainment, Creative Arts, and Media Industry, Diane was awarded the prestigious 2019 SBAA International Women's Day Leader Award for her unwavering leadership and pioneering spirit. This esteemed accolade further solidifies her status as a powerhouse of educated insight, a guiding force capable of igniting transformation within individuals and organisations alike.

With a remarkable career spanning over 40 years, Diane has left an indelible mark in the realms of entrepreneurship, education, and entertainment, becoming a living testament to the transformative power of mindset, energy, and skills mastery that she espouses.
