

DIANE DEMETRE

Leadership and Mindset Speaker

Why Book Diane?

She has real-world experience & expertise.

Drawing from her 40+year leadership career, Diane brings real-world experience and expertise to help your leaders change the lens through which they see themselves and their world to effect radical transformation. A successful entrepreneur, she has owned two multi-million-dollar, award-winning businesses and she understands the challenges organisations, leaders and their teams face.

She is highly engaging & entertaining.

It is Diane's long-standing theatre, television and radio experience which qualifies her as a speaker who holds an audience in the palm of her hand. She is a master speaker who loves what she does, and audiences love her practical strategies they can apply personally and professionally. They regularly comment on her command of the room, the power of her presentations and her unique approach that has them dancing in the aisles.

She is educational & empowering.

Diane is well-read in the key areas of emotional intelligence, neuroscience, and human behaviour, and possesses the rare ability of distilling complex information into easy-to-understand take-aways. She gives her audience insights and ideas that create immediate value.

She knows it's more than a keynote or workshop.

Diane is happy to promote your conference with video, blogs and social media leading up to the event and post event. She will attend the event all day and happily answer questions afterwards or even socialise with delegates if required. Her reputation of being personable, professional, and easy to work with means you don't have to worry about anything. When you book Diane, she'll do whatever she can to make your job easier!

What you can expect.

- As one of Australia's premier female motivational speakers in her field, Diane stands out with her raw, real, and relevant approach.
- Sharing decades of business experience and an incredible story of her fight to the top, Diane takes her audiences on an inspiring journey, underpinned by science-based research that offers practical strategies to think, feel, act, and lead differently.
- As a former stage performer, Diane excels in capturing attention and engaging her audiences warmly, challenging them to open their minds and reconsider their ways of thinking, feeling, and working.
- A masterful storyteller, Diane skilfully blends humour with relatable, personal stories that resonate with her audiences.
